GEO Blue Planet Secretariat Support

What type of support are you offering?

- Host a regional node
- Host a thematic node
- Provide resources to the Secretariat's principal office

GEO Blue Planet Secretariat Thematic Node

What theme(s) would your node cover?

- Climate
- Sustainable Coasts
- Disaster Warning and Mitigation
- Ocean Resources
- Transportation
- Water Quality
- Maritime Safety
- Oceans and Human Health
- Sustainable Fisheries and Aquaculture
- Marine Biodiversity and Ecosystem Health

Marine Biodiversity and Ecosystems Node

The Marine Biodiversity Node will function as the Secretariat for the Marine Biodiversity Observation Network (MBON). MBON is a thematic node of GEO Blue Planet and a network of the Group on Earth Observations Biodiversity Network (GEO BON).

Proposed hosting period

Expected start date

Month Day Year

What is your past experience (if any) hosting a national or international secretariat or programme office?

Why are you interested in hosting a thematic secretariat node?

Is the host agency/institution currently involved in GEO Blue Planet or MBON?

- Yes
- No

Is the host agency/institution a participating organisation in GEO?

- Yes
- No

What relevant linkages can you provide to GEO Blue Planet and MBON?

What level of funding are you able to provide for the thematic secretariat node?

Include information about salary, office space and travel funding

What is your proposed contribution to the principal secretariat office?

Additional comments
